BOOK SYNOPSIS

Given the way love turned her heart in the New York Times bestselling *To All The Boys I've Loved Before*, which *School Library Journal* called a "lovely, lighthearted romance," it's no surprise that Lara Jean still has letters to write. Lara Jean didn't expect to really fall for Peter. She and Peter were just pretending. Except suddenly they weren't. Now Lara Jean is more confused than ever. When another boy from her past returns to her life, Lara Jean's feelings for him return too. Can a girl be in love with two boys at once? In this charming and heartfelt sequel to the New York Times bestseller *To All the Boys I've Loved Before*, we see first love through the eyes of the unforgettable Lara Jean. Love is never easy, but maybe that's part of what makes it so amazing.
